## A Tribute to John Denver & Country Music Legends

Join two-time Grammy award winning James Garrett as he pays tribute to his long time buddy John Denver and other country music legends. James Gareet plays John Denver songs we all know and love including "Rocky Mountain High" and "Leavin on a Jet Plan." James Garrett shares stories of John Denver's life and experiences from a firsthand perspective. Throughout the show, you'll gain more insight on John Denver than any other show could provide due to James Garrett's close friendship with John. Songs such as "Matthew" and "Grandma's Feather Bed" are heard by the audience in a new way as the stories of their composition are shared.

## **Natural Beauty**

Step aboard a comfortable, open-air tram and explore the **Dogwood Canyon Nature Park**. You'll pass towering bluffs and waterfalls, crossing creek beds by way of beautifully-crafted stone bridges and often splashing through spring-fed waters. We'll make a stop at the Glory Hold, a spectacular blue-green pool where some of our largest trout reside and where you can feed the trout, if you wish! You'll also see an Amish-built covered bridge, 60' tall Thunder Falls, the Great Spirit Rock Shelter and more! A Canyon Picnic Lunch is included at the Creekside Pavilion.

## **Special Sights**

As we make our way through St. Louis, we'll stop for "concrete" at the infamous Route 66 icon Ted Drewes Frozen Custard. "Concrete" is custard blended with any combination of dozens of ingredients. So thick that The shake and its spoon do not fall out of the cup when turned upside-down. Visit the Abraham Lincoln Presidential Library & Museum where scholarship and showmanship combine, using 21st Century technology to immerse visitors in a world of gas lamps and hoop skirts – the world of Abraham Lincoln.
